Requirenautics Quarterly is published by the BCS Requirements Engineering Specialist Group as a service to its members. These web pages index those sections of the newsletter that are available on line. The full newsletter is only available in the printed version sent out to members. For information on how to join RESG, please see the RESG home page, or contact the membership secretary, Dr. Sara Jones, S\_Jones@herts.ac.uk

## Resources

1. The RE-Sources Archives - a list of books, mailing lists, web pages and tools relevant to Requirements Engineering.
