Require	enautics Quarterly
D DCC	
BCS crest	Issue 5 (January 1996) (c) 1996, BCS RESG
	Editor: Steve Easterbrook, NASA Software IV&V Facility, Fairmont, WV, USA. Email: steve@atlantis.ivv.nasa.gov
newsletter i	tics Quarterly is published by the BCS Requirements Engineering Specialist Group as a service to its members. These web pages index those sections of the that are available on line. The full newsletter is only available in the printed version sent out to members. For information on how to join RESG, please see tome page, or contact the membership secretary, Dr. Sara Jones, S.Jones@herts.ac.uk
